

IN THE CLAIMS:

This listing of claims will replace all prior versions, and listings, of claims in the application.

Listing of Claims:

1 Claim 1. (*Currently Amended*) A vehicle roach trap, comprising:

2 a cup having a substantially cylindrical wall and a closed bottom, said substantially
3 cylindrical wall having a rim opposite said closed bottom defining an open top, such that said
4 cup has an interior volume, said cup being adapted for placement in a cup holder of a motor
5 vehicle;

6 a roach bait disposed inside the cup;

7 a cover having a peripheral lip snapped onto the rim of the cup, the cover being in the
8 form of an inverted dome having a plurality of concentric ripples defined therein; said cover
9 defining a hole therein at ~~the~~ a bottom of the inverted dome; and

10 a removable sticker adhesively attached to said cup;

11 wherein said sticker is selectively positioned over the hole defined in said cover for
12 sealing said hole;

13 whereby when in use, said cup is placed in a cup holder in a vehicle, said roach bait
14 attracts roaches to enter into said cup via the hole in said cover, and upon entry, being trapped in
15 the cup, and upon disposal, said sticker is selectively positioned to seal the hole, thereby
16 preventing any roaches from exiting the cup.

Claims 2- 4 (*Canceled*)

1 Claim 5. (*Currently Amended*) The vehicle roach trap according to claim 2 1, wherein said cover
2 further comprises a flap pivotally attached adjacent the hole, the flap resiliently attached to
3 overlay the hole when closed and pivotal to uncover the hole when open.

1 Claim 6. (*Original*) The vehicle roach trap according to claim 5, wherein said cover further
2 comprises a living hinge pivotally attaching said flap to said cover.

1 Claim 7. (*Original*) The vehicle roach trap according to claim 5, wherein said cup is made from
2 waxed paper.

1 Claim 8. (*Currently Amended*) The vehicle roach trap according to claim 2 1, wherein ~~the~~ an
2 interior wall of said cup is at least partly coated by a sticky substance, whereby the roach is
3 prevented from escaping by the sticky substance and the inverted dome-shaped cover.

Claims 9-14. (*Canceled*)

1 Claim 15. (*Original*) The vehicle roach trap according to claim 1, wherein said cover is made
2 from transparent plastic.
